“Pobeda Compani d.o.o.” posluje od 1985. godine, i ubrzo je prerasla u modernu i jednu od vodećih kompanija u Srbiji za proizvodnju predmeta od brizgane plastike za domaćinstvo, industriju i široku potrošnju. Fabrika je moderno projektovana, opremljena najsavremenijim mašinama, što je preduslov za kvalitetnu proizvodnju. Naši konstruktori alata odgovaraju na sve zahteve naručilaca u pogledu projektovanja i proizvodnje novih proizvoda.

Zastupljeni smo kako na domaćem tržištu tako i na tržištu regiona i Evrope. Naše dugogodišnje iskustvo i pre svega ljubav prema ovom poslu su nam kontinuirana garancija a naši zadovoljni kupci su nam motivacija da budemo još bolji. U današnje vreme, kada o svemu odlučujemo na prvi pogled, pitanje koje smo postavili je: da li su samo boja i dizajn dovoljni kriterijumi da odaberemo neki proizvod?

Ono što mi nudimo, već 35 godina, su:

- Kvalitetni materijali i vrhunska izrada
- Izdržljivost artikla i postojanost boja
- Ergonomičnost proverenu u praksi

Prateći želje, komentare i ideje svojih kupaca, stvaramo komade koji će trajati.

KUHINJA / KITCHEN

Kuhinja je prostor gde se ne sprema samo hrana – kuhinja je srce kuće. Profesionalci su nas naučili da pri izboru opreme ne pravimo kompromis kad je kvalitet u pitanju.

The kitchen is the space where not only food is prepared – the kitchen is where the heart of the home is. We learned from professionals that while choosing utensils and equipment, we should not compromise when quality is concerned.

Elegantno, jednostavno i funkcionalno. Nijedna od ovih reči sigurno ne asocira na održavanje vašeg prostora. Mi smo se potrudili da svoje vreme posvetite voljenima, a ne da trošite energiju na borbu sa neredom.

Simple, elegant, practical – none of these is associated with cleaning and laundry. We made sure that you have time to dedicate to your loved ones instead of wasting it on simple household tasks made complicated.
